

JOAKIM TINDERHOLT & His Band

Joakim Tinderholt & His Band's released their debut album "You Gotta Do More" (BIGHCD1402) on November 21st 2014. It is available on LP, CD and download through all major digital stores (iTunes etc). Nearly ten years after their first gig at the now closed, legendary Muddy Waters Blues Club, Joakim Tinderholt & his band are finally ready with their debut album. Parts of the band are already experienced recording artists, working with artists such as the late Louisiana Red and the Billy T Band. The latter won the Norwegian Grammy Award, in the Blues category, in 2010 and 2012.

The songs on the record are a mix of brand new originals, and favorites from the live set. There are many and diverse inspirations, ranging from the wild Rock'n'roll of Little Richard to the intense Blues of Otis Rush and the hypnotic grooves of Bo Diddley.

"Joakim, as a singer, guitarist and artist kicks ass through and through. I'll put him and his band, and this record, up against anything going on in the Blues world today."

Kid Andersen (Charlie Musselwhite, Rick Estrin & The Nightcats)

Despite his relatively young age the powerhouse RnB- and Blues singer and guitarist Joakim Tinderholt is already an experienced entertainer, and a force to be reckoned with for years to come. He is considered one of Norway's finest performers of traditional RnB and Blues, and has performed with international artists such as Rick Holmstrom, Mitch Kashmar, Kid Ramos and The Delta Groove Revue.
